

DRUM MOVER – PORTER - LIFTER

This type of drum porter allows easy lifting with a hydraulic hand or foot pump .
The large wheels allow for easy transport even on rough floors.
A spring-loaded clamp securely holds any rimmed drum.
Compact design and less effort operation.
Move and unload heavy 35 or 55 gallon steel drums with ease.
It rolls easily and quietly on the Nylon or Poly-on-steel wheels.
Lifting after grabbing fasten when operating.
